EARLY CHILDHOOD EDUCATION

APPLY NOW

SERVING CHILDREN
AGES 3 TO 5 YEARS

***NOW OFFERING SERVICES THIS SUMMER
(8am - 5pm) and extending our hours at
all sites until 5pm during the school year.***

Curiosity, the engine of learning, is a miracle that starts at birth.

Our Early Childhood Programs help children grow and develop from ages 3 to 5 so children are excited and ready for kindergarten. Early childhood education helps children learn how to plan, persevere, solve problems, and work collaboratively – key skills for success in school and life. Our programs operate out of nine locations in the county, serving all families, including those qualifying for Head Start and Special Education. If you have a child between ages 3 and 5, please contact or visit the location nearest you to learn about the many benefits of Early Childhood Education.
